The Dy Commr proposes to submit separately a general list of works which will ~~forthwith~~ ~~apparently~~ include, the works costing Rs 2370 referred to in para 1 of his letter

What he now asks for is apparently, an advance or imprest to the extent of Rs 5000, the sum sanctd in the Prog of 5-3-1900 being very small, (Rs 500)

Is this to be sanctd?

He may perhaps be asked to cut short the programme of well works in view of the recent rains

will be submitted shortly, and the necessary sanction for funds will be applied for in due course.

3. In the meantime I request that the Government may be pleased to place at my disposal a further sum of Rs 5000/- for sanctioning urgent well works in Taluks other than those mentioned in the enclosed list as the impress amount sanctioned by Government is very small.
